Health Guarantee

- Puppies are guaranteed for one year from date of birth against any fatal or life altering diseases which adversely affect the health of the puppy. If the puppy dies within this one year time frame the buyer will pay to have an autopsy done and if the reason is congenital the seller will replace the puppy.
- This guarantee does not cover the following non-life threatening condition: skin allergies.
- A puppy showing any serious genetic or congenital defect will be replaced as follows: Puppy must show the defect by one year of age and seller must be notified of the problem within two business days of the licensed veterinarian's determination.

- Buyer is responsible for transportation costs to and from the seller on replacement puppies.

- No replacement puppy will be given if the puppy has been bred or euthanized without permission from the seller. Or spayed or neutered by an unlicensed veterinarian.
- Replacement puppy will be mutually agreed upon by both parties. Puppies may not be from the exact same parents but of comparable quality and value. Seller

has one year to make replacement of any returned puppy due to the fact that breeding and gestation of raising a puppy takes a certain amount of time. If seller can not provide buyer with another puppy of similar quality and value within one year than a full refund will be given.
